STOKKVOLA - 4,4 km round trip

The path to Stokkvola is a gravel trail through a scenic landscape. Stien starter ved Møssingdalen Skisenter i Åsen. You are rewarded with brath taking views at the top.

The trail is just over 2 km one way, easy and perfect for families. There are many rest stops with benches along the trail. Even ascent all the way.

The trail is accessible with strollers, but be aware that it is somewhat steep in places.

Lean-to with bbq area along the trail. There are several geocacher along the trail and in the area generally.
